

# Sixth Class 2021/2022

Welcome to my Sixth Class Report. Now you may think Sixth Class is about all the fun and games but you still have to work really hard for the things you want.

You have many trips like to Glendalough, Tayto Park, Sean Walsh and about 1-2 more. These trips you can see amazing sights and more.

We had Marathon Kids, that goes on for six weeks but the fact they expected us to run a marathon in six weeks but most people walked:]

Following that we had a Cookery Book Launch with Ms Gleeson and Rachel Allen. It was a beautiful ceremony.

We do loads of art displays, reports, poems and more. They're really fun and easy to do.

After our trip to Glendalough we had our Confirmation on the 26<sup>th</sup> of May 2022 .We had a little ceremony, I'm sure, we will all treasure that day.

Following that we do the Xfactor, Raffles [Ms Molony handles them]. We also did a music video with Mr Cassidy, Octopuses Garden.

We did a project on our favourite countries, I did Italy because my nanny is from there.

After we will have our Graduation, a little ceremony but it will be nice, [parents are welcome too].

Overall, Sixth Class has been hectic, emotional and happy. I'm really going to miss it.

By Emily.
